Dear Admiral Turner:

The Washington Chapter of the Association of Government Accountants is announcing its 19th Annual Awards Program for Outstanding Achievement in the Improvement of Financial Management in Government Service. Through this awards program, AGA, the professional accountants' organization in the Government, seeks to stimulate interest in Government service and improvements in Government financial management.

It is again a pleasure for me to request your organization's cooperation in identifying Government employees who have made outstanding contributions during Calendar Year 1977 and we welcome nominations from your agency. The nominations should be sent to Kent H. Crowther, Chairman, Awards Committee, Washington Chapter, Association of Government Accountants, Post Office Box 423, Washington, D. C. 20044. Your existing awards program may be used, of course, in making nominations for these awards. The awards will be presented publicly at the regular meeting of the AGA in Washington, May 11, 1978. These nominees will also be considered for the AGA's National "Distinguished Leadership Award."

Nominations are due by February 28, 1978, and late submissions will be considered by the Awards Committee only if extenuating circumstances in the judgment of the Committee caused excusable delay. Brochures which describe the program and set forth criteria for nominations are enclosed. It is requested that these brochures be given the widest possible dissemination in your organization. Any questions concerning the program may be sent to the above address or discussed with Mr. Crowther (202/275-4033).

The cooperation we have received in the past from your office is appreciated, and we look forward to receiving those nominations which you feel qualify for the described awards.

Sincerely yours,

Susumu Uyeda
